

19 January 2024

Dear Parents, Guardians, and Learners

Welcome to the beginning of another exciting academic year at The Way! I trust that you and your families had a restful and rejuvenating break, filled with memorable moments.

As we embark on this new school year, I am filled with enthusiasm and anticipation for the opportunities and growth that lie ahead. Our dedicated staff has been working tirelessly to ensure a seamless and enriching experience for your children.

At The Way, we are committed to fostering a nurturing and stimulating environment that promotes not only academic excellence but also personal and character development. Our curriculum is designed to inspire curiosity, critical thinking, and a love for learning. We encourage learners to explore their interests, embrace challenges, and cultivate a lifelong passion for education.

In addition to our academic focus, we are excited to continue offering a variety of extracurricular activities and programs that cater to diverse interests. From arts and sports to technology and our newly launched eSports, there is something for everyone to get involved in and contribute to the vibrant tapestry of our school community.

Communication is key to a successful partnership between home and school, and we encourage you to stay actively engaged in your child's educational journey. Our teachers and staff are here to support your child's growth, and we welcome open and constructive dialogue to ensure that we are working together to provide the best possible educational experience.

This academic year, we will also continue to prioritize the health and safety of our students, staff, and community. We are closely monitoring public health guidelines and implementing necessary measures to create a secure and comfortable learning environment.

I am excited about the potential and promise of the coming months and look forward to witnessing the achievements and milestones of each student. Thank you for entrusting us with the education and well-being of your children.

Should you visit the school, you will notice that there is quite a bit of construction activity underway. This is extremely exciting, as on completion, we will have our new multi-purpose sports field (due for completion end of February), as well as extensive expansion of a top and bottom deck leading from the coffee shop area.

If you have any questions, concerns, or ideas you'd like to share, please don't hesitate to reach out. Let's make this school year a memorable and successful one together!

We are wishing you and your families a fantastic start to the academic year!

Warm regards,

Martin Kriel

Chief Executive Office
