

Dear Parents/Guardians, Staff, and Learners

With the 2025 school year well underway, I want to take a moment to express my gratitude for your continued partnership in the education and spiritual formation of your children. It is a privilege to serve your families, as we nurture academic excellence and Christ-centred character in every learner.

At The Way Christian School, we remain committed to providing a learning environment where faith and knowledge go hand in hand. Our dedicated educators and staff work tirelessly to instil biblical values and critical thinking skills that will equip our learners to be community leaders.

We also invite you to join us in prayer for our learners, educators, and staff. We know that with God's guidance, your children will grow in wisdom and stature, walking confidently in His purpose for their lives. Additionally, we encourage you to be actively involved in your child's education—whether through the Parent Teacher Forum (PTF), attending school events, or supporting our initiatives.

A special word of appreciation goes to you, our parents, for your unwavering support and for honouring your financial responsibilities to the school. Your contributions enable us to continue providing high-quality education in a Christ-centred environment, and we do not take your sacrifices for granted. Thank you for your commitment and generosity.

Furthermore, we are currently engaged in multiple capital expenditure projects to improve our school facilities. These upgrades will enhance the safety, general facilities, and learning environment to ensure that our learners have access to the best possible resources for their growth and development. We look forward to sharing updates with you as these projects progress.

As we embark on this 2025 academic year together, I am reminded of Proverbs 22:6: "Train up a child in the way he should go, and when he is old, he will not depart from it." May we all continue to sow seeds of faith and knowledge that will bear fruit for generations to come.

Thank you for being a vital part of our school community. May God bless you and your families abundantly.

Kind regards

Mr. Martin Kriel
Chief Executive Officer
