

The Way
CHRISTIAN SCHOOL

Principal's Pen

Dear Parents/Guardians, Staff, and Learners

As we move into the heart of February, I took a moment to reflect on the many blessings of the past two months and all that we have accomplished as a school community. Our theme ONE HEART, ONE MIND continues to inspire us as we come together with purpose, unity, and determination to make this a year of growth and achievement.

This year has already been filled with exciting events. We had our academic award ceremonies, where we celebrated the hard work and results of the Wayzees during 2024. Our recent parents' meeting was another wonderful opportunity to strengthen our partnerships and ensure we all take hands for the sake of our learners.

One of the most thrilling developments so far is the launch of our school choir. Under the leadership of Mr. Mpho Masina, a well-known musician, teacher, and choirmaster, we have 54 talented learners who have come together to sing! Their passion and dedication to sharing the spirit of The Way Christian School with the world is truly inspiring, and we can't wait to see them grow and shine in their musical journey.

In March, The Way Christian School will participate in ShowUp, a prestigious national drama, dance, musical instruments, and vocals competition. We are excited to showcase the talent of our Wayzees in this impressive event and are confident that our learners will leave a lasting impression.

Our school continues to thrive in every aspect—academically, culturally, and athletically. We are thrilled to announce that e-sports, netball, and soccer will soon start again. Learners are currently preparing to engage in strength and conditioning sessions, as soon as the weather allows it, to prepare for the upcoming seasons, and we are eager to see their growth in these sports as they foster teamwork, resilience, and excellence.

We also proudly remind you that our Grade 12 results from 2024 were outstanding: we achieved a 100% pass rate, with 27 out of 31 learners earning a Bachelor's pass. These remarkable results serve as motivation for our current Grade 11 students as they work toward their academic milestones.

The school has also been building stronger connections with local pre-primary and primary schools. This will soon culminate in open days for 2026, where we will invite prospective learners to join our thriving school community. The growth of our school enables us to look forward with excitement and strategize for a future that will see us continue to excel as the best Christian school in Centurion.

As we continue into the year, please be reminded of the vital role you as parents play in the lives of your children -our students. "Teamwork makes the dream work," says John Maxwell, and this is exactly what we aim to do together—work as one team with one heart and one mind. It is only through our united efforts that we can guide our children toward becoming the best versions of themselves.

The beautiful verse in Philippians 2:2 says: "Then make my joy complete by being like-minded, having the same love, being one in spirit and of one mind." As we walk in unity, let us encourage and support one another in all we do, knowing that we are building The Way Christian School – a school of choice for many future learners in the years to come.

Thank you for your continued support, partnership, and trust. May we keep walking in faith and strive for excellence in all we do, knowing that with ONE HEART, ONE MIND, we can accomplish great things for the glory of God.

Kind regards

Mrs. Sanet Bulwan
Executive Principal
